

Press Release

NEW PRODUCT RELEASE

New, **Ultra-Curb Guard Plus** protects curb inlets from sediment-laden stormwater runoff. Installation is quick and easy. The modular design of the product allows three, or four-foot long units to be easily connected to form longer lengths. Wedge-shaped, heavy-duty foam secures unit in curb inlet. Woven, polypropylene material provides high flow rate and will not cause ponding or flooding. Helps comply with NPDES, 40 CFR 122.26 (1999) and TMDL requirements.

Sincerely,

Mario Cruz
