DPA Announces New Industrial Packaging Division

Distributor Partners of America (DPA), a member-driven buying & marketing group, announces its new Industrial Packaging division effective January 2010.

The DPA Buying Group has two already established divisions in the Janitorial/Sanitary and Safety Equipment and Clothing industries. DPA's janitorial division consists of over 250 member distributors and this year marks its 10-year anniversary. In 2006, DPA expanded into Safety Equipment and Clothing products. DPA's safety division is comprised of over 120 safety distributor members. In total, DPA is partnered with 140 preferred manufacturers between these two market segments who enjoy increased sales and new distribution.

The DPA Buying Group is aggressively recruiting new Packaging distributors and manufacturers to join the new packaging division. DPA Packaging members will have access to all DPA Janitorial/Sanitary & Safety supplier programs. Since January, DPA has brought on top packaging suppliers such as BOX Partners, Peacock Products, Paramount Press, Nifty Packaging, Western Plastics and Primepak.
